ABOUT THE STATE.

Items of Interest Gleaned from Our Exchanges.

Five Barton fishermen who had been violating the fish law were arrested recently and called before the state's attorney. They were fined \$5 each and costs.

Mrs. C. Durga, of Bethel has received \$20,000 by the will of Alfred Burte, of Liverpool, Eng., almost a total stranger. A few years ago while Mr. Burte was visiting in Bethel, Mrs. Durga did some writing for him, and would take no pay. She had not heard from him since.

The Rutland Teachers' association for the organization of which a preliminary meeting was held some months ago, was perfected at a meeting held Wednesday afternoon. The report of the nominating committee was heard, and their selections approved. These are the officers elected: President, Miss Eleanor J. Meldon; vice president, Mrs. Rhoda W. Southard; secretary, Prin. E. D. Snow; treasurer, Miss Etta Franklin. These officers will also constitute the executive board.

The second week of the Burlington plumbers' strike is drawing to a close while the breach between the union and the master plumbers is not lessening. Two big jobs which will soon be ready are likely to be delayed if the strike is not settled. These are the new postoffice and new medical college jobs, contracts for their plumbing which amounts to several thousand dollars being let to a local firm. The mechanics now employed in these buildings are strict unionists and will permit only union help to be employed.

Cassius R. Peck, formerly of Burlington, now located in Guthrie, is prospering. In addition to the work of Asst. U. S. Attorney for Oklahoma, Mr. Peck has accepted the position of attorney for the Union Trust company of Oklahoma City. This is one of the oldest and strongest trust companies in the territory, dealing in farm loans and loans on business property in eastern Oklahoma. Its capital stock is \$100,000 and it guarantees the loans it sells to investors. Mr. Peck finds that the climate agrees with his health and seems likely to locate permanently in this prosperous part of the West.

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpicide.

Did you ever see any one trying to wash themselves without soap or water?

If you did what would you say of him?

It is every bit as foolish to try to get rid of dandruff and to prevent baldness by feeding the germs which cause it, with Cantharides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Vigors.

Newbro's Herpicide is successful because it attacks and kills the parasitic germ which feeds on the hair roots.

It is the original and only genuine scalp germicide manufactured.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Vermont Squab Company.

For nearly a year the Vermont Squab company at Burlington has been quietly developing its business until they now have 600 pairs of breeders. These are all the "homer" type and some of them have a registered pedigree that places them in a high class.

Two large buildings have been completed on the Ferguson & Seariff addition and the company will soon begin to market squabs. It is believed that only one other squab plant in New England can compare favorably with the new up-to-date equipment of the Vermont Squab company. Ora A. Ferguson is treasurer and manager of the company.

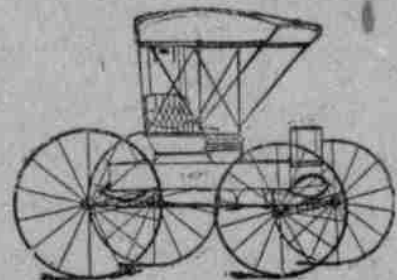

Terrific Race With Death.

"Death was fast approaching," writes Ralph F. Fernandez of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit until I began to use Electric Bitters. So wonderful was their effect that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at the Red Cross Pharmacy. Price 50c.
